We the undersigned request that the discrimination by the State of New York, against homeschooled students, would cease. We ask that homeschooled students be allowed to enter and graduate from college based on their self-certifying high school record, transcript, test scores, and academic achievement, rather than on burdensome regulations and GED requirements currently imposed by the State of New York.

Date	Name	Signature	Address

Please return to NYS LEAH, PO Box 438, Fayetteville, NY 13066, by the end of June if possible.
